SEWER & WATER

James Brarens

In response to increased costs of electricity, gas, chlorine, fluoride, other chemicals to maintain a safe reliable drinking water and wastewater treatment system, the Town of Erwin is modestly increasing water and sewer rates. Listed below are the rate changes.

WATER RATE \$1.85/100 cubic feet

SEWER RATES:

Residential \$40.00/quarter

Commercial \$57.50/quarter

Industrial \$81.00/quarter

OTHER FEES:

Water Inspection \$65.00 plus cost of water meter

Sewer Inspection \$65.00

Water Meter \$250.00
